Reiki is a spiritual practice originating from Japan that uses hands-on energy healing to support a person’s self-healing and balance. Reiki and the chakras have something in common: They relate to energy and how it functions in the human body. Reiki healing is a whole body healing approach that relies on the transmission of energy through ...

Guide To The Chakras For Beginners And Healing Practionners

Reiki is a very popular healing technique, which is based on a unique principle. It implies that the specialized Reiki therapist will be able to channelize his energy into a person, by just touching and activating the natural healing process. This helps in restoring the emotional and physical well-being of the person.

The quality of essential oils can vary widely. As a consumer (and even as an aromatherapist), it is difficult to assess quality. Essential oils come from all over the world, and suppliers or companies usually obtain oils from farmers or wholesalers whose practices and integrity they have come to trust over time. The end consumer would not be aware of (or have the capability to assess) those ...
